

Creating Great Graphic Novels

With Editorial Director of First Second books, Mark Siegel.

First Second books, is Macmillan's acclaimed graphic novel imprint, which BoingBoing dubbed "one of the great literary comics presses of the modern world." In this most popular workshop for writers and artists, Mr. Siegel looks at all aspects of creating great graphic novels and will lead participants through two 90-minute sessions with plenty of time for questions and answers.

Monday, February 28, 2011
